Questions to Ask	Leah Darling	Other Clinic
What % of the time will you spend with the PT vs. and aide/trainer?	100%	_____
How long will you be with the PT each session?	1 hour	_____ minutes
How many other patients will the therapist be responsible for while you are in your session?	Only you	_____ # patients
Will you get the same PT each time?	Yes	_____
Will the PT have 17+ years of experience?	Yes	_____
Will you be in a private room or curtained area open gym?	Private room	_____
Your time cost: How often will you have to travel, wait and return?	Once/week	_____
Your direct cost/hour of PT?	\$150/hour for full hour	_____
What is your co-pay? (Ex: \$30-40 per session x 3)	\$150/hour	\$90-\$120/hour

Once you have answered these questions you can decide what you value in your sessions? It may be one on one undivided attention to you, a quiet environment, privacy, decreased number of trips a week. By answering those questions you can decide what you value and where you want to focus your time, effort and money.
